

REGISTRATION FORM

If you decide to send your child to River House the first step in the admissions process is to complete this form and return it to us as soon as possible. It is likely that at times the number of applicants may exceed the number of places at the School, and under these circumstances, date of registration will be the main factor taken into account when allocating places. Approximately six to eight months (or shorter period where applicable) before the commencement date you request, we will advise you of when a place is expected to become available and, if appropriate, send an enrolment form.
